Workflow plan

- 1) Morning, we decided not to wake up so early and go penang hill see sunset (sunset we can wait after fyp see, bcs I dun see any "light" now before my submission)

- Morning around 7 or 8 we ride bicycle beside the beach, and I estimate will until 10 depending on you guys tired or not / the weather hot or not.

2) We decide to go take a bath first , we go back our own house to take bath and then meet again in Gurney around 12 or 1 to walk walk for a while and prepare for karaoke.

- Take bath at own house after bicycle around 10 or 11

3) We go gurney eat Liao then can go karaoke, there are 2 options in my memory. One is beside gurney there is one shop lot that is for karaoke one, I never try go before. Two is at the top floor of gurney there is one karaoke, but the equipment in my memory is very bad and the PA has poor quality.

- We go Karaoke after finish eating

4) After karaoke maybe around 6 ler , we go kapalsing eat

- Eat In kapalsing , and go back home rest after eat
